

I am Hall of Fame

SpringApplicationBuilder

I am here to serve with
Coding Challenges.

SecurityFilter

Nice to meet you, Hall of Fame.
May I ask you:
What's the purpose of your being?

AuthenticationProvider

AuthenticationService

I help **Instructors** to
build challenges and prepare
collections for competitions and exams.

AuthenticationToken

Don't you say.
Can you explain a little more?

Noice. And what can students do expect?

Students can solve challenges,
gain points and show off
their awesome Hall of Fame ranking.

CompetitionController

Sounds great. But hey, what makes
you think, the world needs yet another
Coding Challenge System?
