

POTSConnect

The bridge between old and new communication

**“Hello Mr. President,
now I can talk to
you with my plain
old telephone via
GSM, because of
a smart module,
developed by smart
students of the
5BHEL”**

Awesome Features:

- Analog Phone Modernisation
- POTS to 2G/GSM
- Digital Signal Conversion
- Full Call Capability
- Elderly User Focus

Electronics and
Computer Science

2025/26
